

RCB BANK

Bounce Protection Disclosure

At times, unanticipated expenses or unforeseen problems can leave you with too little cash in your checking account. Having a check returned due to insufficient funds can be a costly, inconvenient and potentially embarrassing experience. RCB has created *Bounce Protection™* to help reduce the possibility of a returned item on your account, and to save you the fees that third parties may charge in such case. At RCB Bank, we do not encourage overdrafts. As always, we encourage you to manage your finances responsibly.

What is Bounce Protection?

Bounce Protection is a discretionary overdraft service, requiring no action on your part that provides you access to an automatically assigned overdraft limit. Your Bounce Protection limit may be available for checks and other transactions made using your checking account number or automatic bill payment and recurring debit card payments. Also, at your request for Enhanced Bounce Protection, we may authorize and pay ATM transfers or withdrawals and everyday debit card purchases using your limit.

How does Bounce Protection Work?

We are not obligated to pay an item presented for payment if your account does not contain sufficient funds; however, as long as you maintain your account in "good standing," we may approve your overdraft items within your current available Bounce Protection limit as a non-contractual courtesy. For overdraft privilege consideration, your account is in "good standing" if you (1) make sufficient deposits to bring your account to a positive end-of-day balance at least once every 30 calendar days (including the payment of all bank fees and charges); (2) avoid excessive overdrafts suggesting the use of Bounce Protection as a continuing line of credit; (3) there are no legal orders, levies or liens against your account and (4) avoid engaging in improper behavior or misuse of your account, including Bounce Protection, which may result in removal of Bounce Protection and/or account closure. Please note that the amount of the overdraft plus our Bounce Paid Item Fee of \$28 for each item will be deducted from your Bounce limit. Each time the item is returned, the Insufficient Return Item Fee of \$28 will be deducted from your account.

How do I know when I use the overdraft limit?

You will receive an overdraft notice each time items are paid, including fees. You will need to subtract the total fees when balancing your checkbook.

What is my Bounce Protection Limit?

Your checking account has a \$500 Bounce Protection Limit.

What if I go beyond my Bounce Protection Limit?

Overdrafts above and beyond your established Bounce Protection limit may result in checks or other items being returned to the payee. The Insufficient Funds Return Fee of \$28 will be charged per presentation of each item and assessed to your account. An insufficient notice will be sent to notify you of items paid and/or returned.

How quickly must I repay my Bounce Protection?

You should make every attempt to bring your account to a positive end-of-day balance as soon as possible, and must do so within 30 calendar days. If you are not able to do so, you will receive a letter from RCB Bank informing you that your Bounce Protection limit has been suspended and additional items will be returned. Unless we advise you differently or you request this service be removed from your account, your limit will be made available to cover overdrafts again after you bring your account to a positive end-of-day balance.

What does Bounce Protection cost?

There is no additional cost associated with this privilege unless you use it. You will be charged our standard Bounce Paid Item Fee of \$28 for each overdrawn item created by a traditional paper based check, a teller withdrawal, an automatic payment (ACH) transaction or a recurring debit card payment. You will not be charged a Bounce Paid Item Fee if the ending account overdraft balance is \$5 or less.

Also, if you have requested us to do so, we may add Enhanced Bounce Protection which would allow us to authorize and cover ATM transfers or withdrawals and everyday debit card purchases. We limit the amount of daily overdraft fees for paid and return items that you can incur to \$140 per day. To help you manage your account, the total fees you have paid for items (both paid and returned) during the current month and for the year-to-date will be reflected on your monthly checking statement.
