

# PRODUCTS & TOOLS

To help you manage your money with ease.

Help transition financial responsibilities to your young adult by getting them the right money management tools. Before your child leaves home, make sure they are set up with our easy-to-use services designed to help them take control of their financial well-being. Our products and tools can help your young adult budget money, make deposits, pay bills, monitor accounts, guard against fraud, and more.

## Mobile Banking

**Anytime, Anywhere Banking.** Check balances, pay bills, transfer money and find the nearest ATM or bank location from your smartphone. If your child is going out-of-state, there is no need to switch banks. We can go anywhere.

**RCBbank.com/BankAnywhere**

## Text Alerts

**Guard your money.** Be notified anytime a transaction occurs on your account or if a balance goes below a specified amount. A great tool to help detect fraud, monitor account activity and budget expenses. Plus, retrieve an account balance, transfer money or view transactions.

*Message and data rates and fees may apply.*

## Bill Pay

**Easy money-saving way to pay bills.** Pay companies, institutions and individuals from one location. Schedule one-time or recurring payments in advance. Plus, see past and future payments at a glance - another great budgeting tool.

**RCBbank.com/BillPay**

*Some restrictions apply.*

## Mobile Deposit

**Bank wherever you are.** Deposit checks to your bank account from your smartphone through our mobile banking app.

**RCBbank.com/BankAnywhere**

*Message, data rates, fees and deposit restrictions may apply. Subject to eligibility. Funds may not be available for immediate withdrawal.*

## Rewards Checking Accounts

**We pay you to bank with us.** Let your child enjoy the same rewards you do with one of our rewards checking accounts. Options are available to offer optimum rewards based on your spending and saving habits.

**RCBbank.com/Rewards**

*Some restrictions apply. Visit RCBbank.com/rewards to learn more.*

## Online Banking

**Money management in one convenient location.** View all your accounts, transfer money, pay bills and review paid checks and monthly statements. Set up email alerts for practically anything, including low balance notifications – great tool for young adults just starting out.
